PRESIDENT: Will the Clerk read the title please.

CLERK: (Legislative bills on general file read: LB 6). There are no amendments, Mr. President.

PRESIDENT: What shall we do with LB 6? Chair recognizes Senator Mahoney.

SENATOR MAHONEY: Mr. President, I move that LB 6 be advanced to E & R for initial review.

PRESIDENT: Second? Any discussion?

SENATOR MAHONEY: Mr. President, this is one of the bills that we have, at that period of time at the end of the year before the new session, that is strictly a revisor bill that was necessary to implement a law that we had on our books. There should be no controversy or no problem on it. It would be one of the first bills that we'd move over because of the sitting Executive Board. It was necessary to take this bill and have somebody put it into the Legislature, and this is what we did in the case of LB 6.

PRESIDENT: Hearing no further discussion, the motion is to advance the bill. Record your vote. Have you all recorded? Please record the vote Mr. Clerk.

CLERK: 30 ayes, no nays, 19 not voting Mr. President.

PRESIDENT: LB 6 shall be advanced.
